Designed for foodservice professionals.

Creates a frothy, smooth, dairy-like foam for making amazing lattes, cappuccinos, chai teas, and more.

- Barista Blend Almond Milk is a dairy-free and soy-free milk alternative
- Unlike regular almond milks, the Barista Blend is used to create a frothy, smooth and textured foam for Lattes, Cappuccinos, and Chai drinks
- Coffee made with Almond Breeze Barista Blend contains 30% less calories than a skim milk or regular soy coffee
- Use it in any recipe where you would use milk
