Brisbane, CA – September 8, 2017 – BiRite Foodservice Distributors has been recognized as a winner of the 2017 Healthiest Employers, an awards program presented by the San Francisco Business Times and the Silicon Valley Business Journal.

Select employers from the Bay Area were named winners of the awards program, held on September 8, 2017 at Levi's Stadium. These winning organizations were honored for their commitment to employee health, with exceptional corporate wellness programming.

Award applicants were evaluated across six key categories: Culture and Leadership, Strategic Planning, Communication and Marketing, Foundational Components and Programming, and Interventions, and Reporting and Analytics. Completed assessments were ranked with the proprietary Healthiest Employer Index.

"We are extremely proud to be a recipient of this award for the fourth time. Each year, we strive to make improvements upon our associates' wellness and the programs available to them. Whether they utilize our onsite physical therapist or take advantage of our daily onsite yoga sessions, we will continue to be a resource for mental health and physical wellbeing for the long run". – Lynn Woodward, HR
