The Urbani family has been a prestigious and respected name in the truffle business for generations. From its inception, in 1850, under the guidance of Carlo Urbani, the Urbani reputation for excellence has been carefully and faithfully handed down from one generation to the next. As a result, the passage of so many years has served only to strengthen the Urbani name and heritage. Thus the Urbani name maintains its esteemed reputation of pre-eminence, and continues to represent the best in truffle sourcing and processing.
