In December, 2012, BiRite Foodservice Distributors acquired A&B Produce Company and welcomed this local, family-owned business into the BiRite family. Sharing the same values, both companies realized the importance of honoring the family legacy. Today, the synergies of both companies has proven to be a great benefit to our customers as BiRite is now stocking and delivering local produce out of the Brisbane facility. Don't see what you are looking for? Ask for an A&B Produce Guide.
