According to the 2013 Wing Report, Americans consumed nearly 1.23 billion wings during the 2013 Super Bowl XLVII. If laid out end to end, they would “stretch from Candlestick Park in San Francisco to M&T Bank Stadium in Baltimore 27 times.” Look no further than Tyson Foods to help supply you with this game day favorite!

Jackson's Honest Potato Chips brings potato chips back to its humble, simple roots by using the best artisanal ingredients and preparing them with care by hand. They choose organic potatoes grown in high-altitude Colorado soil from farmers we know and trust. They slice every single potato by hand then kettle fry them in coconut oil. After sprinkling the chips with a dusting of sea salt, they bag them by hand and send them on their way as fresh and crispy as can be.

In December, 2012, BiRite Foodservice Distributors acquired A&B Produce Company and welcomed this local, family-owned business into the BiRite family. Sharing the same values, both companies realized the importance of honoring the family legacy. Today, the synergies of both companies has proven to be a great benefit to our customers as BiRite is now stocking and delivering local produce out of the Brisbane facility.
