## THE PROOF IS ON THE PLATE

**DESIRABLE TEXTURES:** Karo gives baked goods a chewy texture, holds more moisture and maintains freshness longer.

**BALANCED FLAVOR:** Consistently leaves a balanced sweetness that lets the true flavors of other ingredients shine through.

**THE PROOF IS ON THE PLATE:** Pecan pies made with competitors products showed signs of weeping in just 3 hours after slicing. Pies made with Karo Syrup barely wept 3 days later! This means less waste for operators and better appetite appeal for patrons.
