

Night Warehouse Worker- Job Description

The Warehouse Worker's role is to pull produce for BiRite and A&B customers from our Warehouse areas. The position requires constant lifting and attention to detail. This job is physically demanding.

Major Job Duties and Responsibilities:

- Unload fruits/vegetables/etc. from trucks
- Separate the fruits/vegetables/herbs into each/cases/etc. according to what the customers want
- Check the freshness of the produce periodically
- Pack and clean herbs
- Mix, cut and make spices
- Maintain clean warehouse
- Check temperature of the produce periodically
- Other tasks as assigned by the supervisor

Minimum Required Qualifications:

- Must have a minimum of 2 years related warehouse experience
- A stable work history a must
- Must be able to lift 50 lbs
- Must be comfortable working in cold temperatures
- Great attention to detail
- Experience working in a cooler/freezer is a plus
- Must be able to follow verbal instructions
- Forklift certification a plus
- Must be 18 years of age or older
- Must be a team player
- Excellent Verbal skills required
- High school diploma or GED is highly desirable

Physical Demands:

These physical demands are representative of the physical requirements necessary for an employee to successfully perform the essential functions of the Picker's job. While performing the responsibilities of the Picker's job, the employee is required to hear and talk. This is a PHYSICAL position. The employee must be able to lift 50 lbs, bend, stoop, turn/twist body, reach, squat, walk, kneel, crouch, stand, and get on and off of an electric pallet jack or cherry picker frequently. Furthermore, the employee must use their hands and fingers, drive, to handle and feel. Vision abilities required by this job include close vision.

Shifts: 3pm-12am (subject to change based on operational needs)
Sunday-Thursday

BiRite is an Equal Employment Opportunity Employer
