FOODSERVICE DISTRIBUTORS

ECO-FRIENDLY & LONG-LASTING

**Charcoal Firelog**  
#812035 | 1/22 Lb

**Charcoal Pro Pack Premium**  
#812030 | 1/22 Lb

Prime 6's charcoal is made from sustainable hardwood sawdust, compressed and carbonized into hexagon shapes for even heat distribution. It lasts longer, burns hotter, and is reusable. Additionally, Prime 6 plants a tree for every pack sold, enhancing its eco-friendly commitment.

**Expeller Pressed Safflower Oil, Non-GMO**  
#367011 | 1/35 Lb

Safflower oil has a high smoke point and neutral flavor, which makes it ideal for cooking at high temperatures.

LABOR SAVER

**Fresh Shredded Hashbrown**  
#586079 | 2/10 Lb

These scratch-quality hashbrowns, made from fresh Russet potatoes, are never frozen and partially cooked for ideal texture. They come refrigerated and ready-to-cook, saving time and labor while enhancing yields.
