 All-natural. Cholesterol-free. NO MSG. NO preservatives. NO hydrogenated oil. No, we're not talking about the latest health food craze...We're talking about "Dirty" Potato Chips, naturally! These potato chips are delicious but without all the "usual" ingredients that make most chips a favorite - but not-so-healthy snack. Plus the chips are Kosher certified, contain no wheat gluten, and are kettle cooked in a peanut oil blend for that deep, delicious potato chip taste.
