Saag's Products LLC, a small San Francisco Bay Area manufacturer, maintains the tradition of handcrafted sausages and deli meats first practiced by its founder in 1933 and continued today by artisans who take pride in their work. All of Saag's® specialty meats taste great because they are made in small batches from fresh ingredients – no artificial flavors, colors, fillers or extenders, and never any MSG. Saag's® specialty meats come fully cooked, perfectly seasoned, and ready to use for meals and snacks.

In December, 2012, BiRite Foodservice Distributors acquired A&B Produce Company and welcomed this local, family-owned business into the BiRite family. Sharing the same values, both companies realized the importance of honoring the family legacy. Today, the synergies of both companies have proven to be a great benefit to our customers as BiRite is now stocking and delivering local produce out of the Brisbane facility.
